Notes:
1. Expenditures are prorated by FTEs dedicated to each provider type.
2. Complaints about substance use disorder programs must be submitted to the facility first. If not resolved at that level, then complaints are to be submitted to the regional entity. If still not resolved, then complaints may be submitted to the state.
3. Column K - Number of Exams - is not applicable to the Bureau of Community and Health Systems.
4. This table does not include the federal certification program that is operated by the Bureau of Community and Health Systems on behalf of the Centers for Medicare and Medicaid Services, because that is a separate and distinct program from the state

Notes:
5. The data for adult foster care homes, homes for the aged, camps, and child care homes and centers (rows 8-11) is state data.
6. The data for health facilities (rows 12-18) is a mixture of state and federal data.
7. Data in column O - Investigation Adjudication Time in Days - values are the average number of days from opened to closed investigations.
